Participation in the Citrus Ridge Academy PTO will provide you with fun opportunities to get involved in your child's school experience and be an active partner in their learning. Your level of participation is completely up to you.

There are a variety of ways you can get involved, from in-school volunteer opportunities to activities you and your family can do at home. All levels of skill and ability are welcome and appreciated. Volunteer hours with the PTO can be logged into the Volunteer Computer at school.

Your membership fee will be used to help support PTO expenses and sponsored activities throughout the school year.

### Some important reminders:

- Participation in in-school volunteer opportunities will require you to be registered as a Volunteer.
- You can obtain a volunteer form for your back ground at: [polk-fl.net](http://polk-fl.net) under volunteers. There is a \$25 fee and your background is active until your child graduates from their Polk county high school.
- Citrus Ridge Academy PTO is an independent entity. Our mission is to support and to work in partnership with the Citrus Ridge Academy School, Faculty and Students. All events, fundraisers, opportunities, and membership fees are driven by, and the responsibility of, the PTO leadership, Committee Chairs and Volunteers and not the Administration of Citrus Ridge Academy School or Polk County School District.
